Local Jottings

A carload of trees arrived in town last week and several of our farmers took advantage of the opportunity to beautify their farms.

The Auction Mart Co's sale is on Saturday, May 25th. See advt for further particulars. Further entries solicited.

Watch out for the Chautauqua advertising. Study the excellent program and then buy your ticket. The dates of the Festival are June 15th to 21st.

Service will be held in the Anglican Church on Sunday evening.

A meeting of the Chautauqua gentlemen was held Thursday May 16th, at 8 p.m. in the Fire Hall.

Miss Nora Pearcey, formerly operator at the C.P.I.D. has secured a position in Calgary.

Mr Fred Davis, M.L.A., Mrs Davis and daughter Dorothy left on Wednesday the 15th to spend a few weeks at Ottawa, Mitchell, Goderich, St Catharines, Philadelphia and other Eastern points.

Mr Davis, member for Gleichen Constituency, has under crop this year 1800 acres, 1500 of which is oats, the balance in wheat and barley.

Let every mother and daughter remember the big Red Cross Rally to be held in the Methodist Church on Tuesday, May 21st, and come prepared to do a big day's work. If this was a picnic to the river, we would doubtless have a big crowd. So let us see if we cannot have a bigger one at this rally, that is not only for the pleasure of meeting friends, but to accomplish some very necessary good work. Imagine, if you can, a grand picnic, so fill your baskets and bring them along and be happy. The ladies of the town will provide tea and coffee. Everybody ask a friend and see if we cannot reach the 150 mark. Commence work at 10 a.m.

Don't forget the Big White Elephant Sale in September for Red Cross. Begin now to fatten that little calf.

A CORRECTION.

Last week we mentioned the Anglican Church Guild were holding a bazaar during Chautauqua week. We made a mistake. This should have read Pantry Sale.

Police Court.

A case affecting the Master and Servant Act was heard before Justices Lambert and Vickery on Friday last, wherein A. S. Logan claimed \$75 wages due from Fred Larson. The latter, in his defence, stated that Logan was an incompetent man and could not handle horses properly. Plaintiff said that he was more accustomed to work as done in Eastern Canada and that the methods here were somewhat different. As a rule they did not drive so many horses. He had had 25 years experience in farming and had a farm of his own. The Justices, whilst disapproving of eaving, thought he was entitled to be paid for the work he had done. If defendant had not been satisfied with plaintiff's method and work, he could have been discharged earlier. Plaintiff was allowed \$60. Each party paying own costs. Mr T. M. Wears solicitor, appeared on behalf of plaintiff and defendant argued his own case at some length.

Red Cross Notes

Mayor Lambert has donated \$15 to the Red Cross Society.

The Ladies of Strathmore extend a cordial invitation to the ladies of the different districts to attend the "Rally Day" at the Methodist Church on May 21st, commencing at 10 o'clock in the morning. Tea and coffee will be served, but bring your lunch basket with you.

NEW SOLDIER'S MAGAZINE

The latest publication to come into the field is a weekly magazine entitled "The Western Veteran," which as its name implies, is intended to serve particularly the interests of returned soldiers, and their dependents. It is a bright, well edited publication and is being well received and highly complimented on its neat appearance and the high standard of its leading articles. Attention is drawn to advertisement in another column of this issue.

NIGHTINGALE NOTES

Legal Advertising, 12 cents a line for first insertion, and 8 cents a line for each subsequent insertion—12 lines to the inch. Local, 10 cents a line. Last, Final, Auction, and Want Ad advertisements, 20 words or under, 50 cents one insertion, or three insertions for \$1. Display advertisements \$1 per column inch per month, 50 per cent more each Monday. Notices of entertainments, meetings, sales, etc., at which admission is charged, articles sold, or a collection taken, with the exception of actual church services, will be charged for at regular advertising rates. The Publisher is not responsible for opinions expressed by correspondents.

A suggestion has been made to us that it would be nice if we had some swings placed in the Park for the use of the children. We are heartily in accord with this suggestion and will do our best to help it along. Can the City Fathers spare a little from their exchequer to provide a playground for the youngsters?

UP to date the total amount received from the Red Triangle Campaign is over \$7,600 in this District, with one or two collectors to hear from. This is a splendid result and exceeds the expectations of even the most sanguine. When it is remembered that Strathmore in the first instance was only asked for \$1,500 but decided to place their objective at \$6,500 we believe that we are only doing justice when we offer to the local committee, to the canvassers and the subscribers to the Fund, our heartiest congratulations on such a splendid showing.

NOTES & TOPICS

Some climate we have in h'l old Alberta. Hot as — one day and then along comes a snow-storm to kinda level things up. Aw, what's the use.

We offer our congratulations to the members of the Methodist Church, who have succeeded in wiping off a debt which has been hanging over its head for a number of years.

We would again draw our readers attention to the coming Chautauqua Festival. Help the local organization boost the Festival and tell all your friends about it. There is a treat in store for everybody.

Among the civic improvements noted in our travels this week are the following—A new plank in a sidewalk; the crossing opposite the Maple Leaf Hotel has been torn out and a load of ashes laid down in its place and a portion of Main Street covered with ashes, etc.

During the past few weeks we have been overlanded with advertising matter from oil companies in the States who are trying to load onto the public shares at it each. The companies are so generous that they offer us stock in payment of advertising space. Across our memory vividly flits the days of the Calgary oil boom. We bit once, but never again.

In looking over our numerous exchanges we find that in nearly every town a civic holiday was proclaimed on Arbor Day in order that the citizens might engage in a clean-up campaign. Owing to a powerful windstorm which raged in our own town for a few hours, it was not deemed necessary to declare a public holiday. The elements took compassion on us.

Helping to Steady America's Mind

One of the best institutions in this country is the Chautauqua Summer Platform. Certainly in the stress of these times it should be preserved if any institution is to be preserved. It does a variety of things that we have great need should be done now. It brings to people who are harassed by the thought of the future, healthy entertainment; something different from what they get in their towns. It brings a fresh element into the social life of the towns—a very desirable thing particularly in the smaller community. It will give stimulating ideas about the great questions that the country must understand and study. Everything now depends upon the country keeping its mind steady and active and inspiring people to a full co-operation in the undertakings of the Government. The Chautauqua Platform will do this in a wonderfully direct way. Every community ought to be willing to sacrifice, if necessary, to keep Chautauquas alive in the community.—IDA M. TARBELL.

Food Board Representative Here

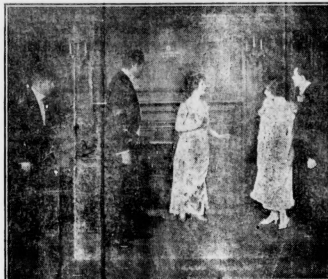

On Friday last week Mr. William Berry, M. A., lecturer in

Alberia University, Edmonton, visited Strathmore as a representative of the Food Board of the Dominion. His mission was to extend the usefulness of the soldiers of the Soil (S.O.S.) movement. In view of the shortage of farm labor the boys of the High Schools and Colleges from 15 to 20 years of age, have been enlisted to serve on the farm during their vacation, or from three to five months. The Mayor called a meeting in the Council Chamber to consider the question. A local committee was formed, consisting of Mayor Lambert, chairman, J. P. Berry, secretary, F. T. McElhose, Dr. A. W. Girvin, and W. G. Way. Applications should be made early. Blank forms may be secured from the local secretary. Watch the posters.

Wales Players at Chautauqua

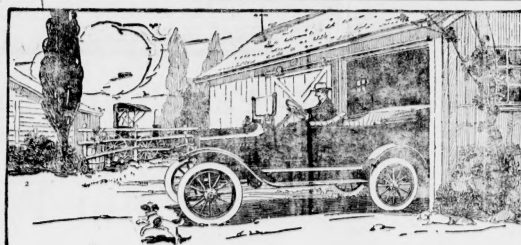

Present Noted American Play
"Rejuvenation" Third Night

CHAUTAUQUA WALES PLAYERS.

One of the feature attractions of the coming Chautauqua will be the appearance of the Chautauqua Wales Players on the third day. In the afternoon they will present the comedy "The Hypochondriac," and in the evening the famous American play, "Rejuvenation," by Warren Hastings.

Chautauqua Wales, the talented actors who leads the company, needs no introduction to Chautauqua audiences. The actor of today is as much an actor of his own company, which is a fact, as of the continent, has long since demonstrated for a long time in the past.

Replace Your Buggy With a Ford

MORE than 100,000 Fords are owned by people in Canada in preference to the old horse-drawn buggy and other makes of cars.

Your neighbors, and farmers in every section of the Dominion are abandoning their old buggies—selling their driving horses and buying Fords.

Ford cars are utility cars. They are built to endure the strain of constant daily use over rough roads.

These are the tests every farmer gives his car. The Ford meets them in a satisfactory manner. It is the farmer's car, so why not replace your horse and buggy with a Ford?

BUY AN IRRIGATED FARM

FROM
THE CANADIAN PACIFIC RAILWAY

BECAUSE—

Irrigation makes the farmer independent of rainfall and insures good crops, not occasionally, but every year.

Irrigation makes possible the successful culture of alfalfa, the king of feeders, which insures better returns in dairying and mixed farming.

Irrigation means intensive farming and does so with all the advantages of a densely populated agricultural community.

Irrigation in the Canadian Pacific Railway Irrigation Block is no longer an experiment, the years that it has been tried having absolutely demonstrated its success wherever intelligently applied.

You can buy irrigated land from the Canadian Pacific Railway at prices up to \$50 per acre, with twenty years to pay and the privilege of a loan of \$2,000 for improvements (6% interest); no principal after first payment until end of fourth year—reduced interest if settlements conditions are complied with, and as water rental for five years. Contract can be paid off before maturity if desired.

This is the most liberal offer of irrigated farm in Canada. For full particulars, apply to
ALLAN CAMERON, General Superintendent of Lands
Canadian Pacific Railway, Dept. of Natural Resources, 909 First Street, E., Calgary, Alberta.

Orange Valley Red Cross

We have to acknowledge a gift of a gobbler and two turkey hens from Mrs. Reid Crawford, for the purpose of a raffle. These were raffled off on May 9th. The winner being Mrs. Ashley. The total proceeds of the raffle amounted to \$56.50.

Red Cross Rally Day

Tuesday, May 21st, was Red Cross Rally Day. A hearty invitation had been sent out to all ladies in the town and district to devote the day to Red Cross sewing and a generous response was a result. The rally was held in the basement of the basement of the Methodist Church and sewing commenced at 10 a.m. and lasted until 6 p.m. Naturally there were not as many ladies out in the morning, but in the afternoon they turned out in large numbers. At the time we visited the rally we counted 53 ladies present, all busily engaged in sewing various articles as fast as their needles could fly, and from the general look of things we imagine there will be a goodly showing of finished articles, for the ladies were there to work. We congratulate them upon their splendid rally to the call of the Red Cross.

Chautauqua Association is Formed

A meeting of the Chautauqua guarantors was held in the Town Hall on Thursday evening for the purpose of forming an Association to handle the forthcoming Summer Festival, June 12, 17, 18, 19, 20, 21.

Mr. T. E. Wright was elected Chairman of the Association and Mr. W. E. Brown Secretary. A Publicity Committee was also formed as follows:—Messrs. R. S. Stokton (chairman), H. Tompkins, G. B. Anderson, A. W. Girvin and C. S. Payne.

Various matters in connection with the Festival were discussed and campaign plans laid for the sale of tickets.

The guarantors are convinced they can make the Festival a success but desire the co-operation of every person in the community to help boost the Festival.

If you are not a Chautauqua guarantor you can at least be a booster.

As will be seen from an advert in another column the train service changes on June 2nd. No. 4, East-bound, leaves here at 3:51 p.m. and No. 3, West-bound leaves at 1:45 p.m. From the foregoing it will be seen we have not brought by the change.

A Truck for the Farmer

FARM equipment which will effect a time and labor-saving, and therefore a money-saving, must be carefully considered by every good farmer now-a-days.

The farm wagon, which for years was the most useful of all farm equipment, is now being replaced on the best farms by a sturdy, dependable motor truck. The truck will haul any farm product—fruit, grain, vegetables, stock, fertilizer, or wood—around the farm, or to the town or city many miles distant, in half the time, and at a much lower cost.

The Ford One-Ton truck is a rapid, economical and very serviceable means of transport. One of these on your farm will save you weeks of time in a single season and will enable you to pass through a crisis of labor shortage with less difficulty.

The Ford truck is supplied as a chassis only. This permits you to select any of the many body styles especially designed for the Ford truck and already on the market. Thus you can mount the one which suits your individual requirements.

Price \$750 f.o.b. Ford, Ont.
